Vote Counting and Announcement of the Result

Prior to the Meeting, the Chairman or the person assigned by the Chairman shall inform the method of vote counting. The counting of votes for each agenda shall be made from the voting of shareholders or proxies present at the meeting with the right to vote. The Chairman would request shareholders or proxies who wish to disapprove with or abstain from voting on each agenda item to indicate their votes by raising their hand and marking on the ballots. The total votes cast in disapprove or abstention, as well as the invalid ballots (if any), shall be deducted from the total number of votes attending the Meeting for each agenda. The remaining votes shall then be counted as approval votes. The voting results of all agenda items shall be announced to the Meeting before the meeting is adjourned.

A voting ballot is considered invalid when shareholders or proxies do not clearly express their intention on the ballots, such as there are more than one marked box on the ballots or there are split votes (except for the case of custodian) or there is no countersign on the ballot where changes of votes are made.
